

## **PMP Exam Refresher and Review Course Course Summary**

### **COURSE INTRODUCTION**

You studied enough; you think you are ready to write the PMP exam, BUT, you do not feel like attempting the exam. ***This can be the result of many issues for example:***

1. You do not have the courage to tackle the exam for whatever reason.
2. You need a boost, to get you moving in the exam direction.
3. You are looking for a coach to help you out with few issues related to the exam.
4. You do not know what is important to focus on while studying.
5. Waiting to make the final review.
6. Maybe you wrote the exam and did not pass. Now you are looking for another opportunity to rewrite and pass.

If you experienced any of the above, then, this course is for you.

**Please remember, this is not an exam preparation course, we have another 6-day course to achieve that. Please enquire with the instructor @ 1-780 990-9943**

### **PREREQUISITES**

The course is designed for participants that are familiar with the PMP exam through taking PMP course with Performance Excellence or any other organization. This includes

1. Familiarity of PMBOK-6<sup>th</sup> Edition.
2. Attended the 6-day session of PMI material with PEI or another provider.
3. Read and familiar with PMI Agile Practice Guide.

### **WHAT WILL YOU GET FROM ATTENDING THE COURSE?**

1. Dr. Sami Fahmy support and care to assist you and act as your coach.
2. Coverage of key concepts, issues and techniques for traditional and Agile delivery
3. PMBOK 6<sup>th</sup> edition slides summaries (about 1500 slides + 400 questions)
4. Agile summaries by knowledge areas
5. Supplementary study material
6. A flexible study guide and assignments, that can accommodate individual needs. The idea is for you to write the exam at your convenience, within max. ONE MONTH after the review sessions
7. A slide set that explains how to answer all types of PMP exam questions (total 6 types)
8. A list of internet sites for great exam questions and answers in traditional and agile deliveries

## **COURSE DESCRIPTION**

This 2-day, **Virtual Instructor-led Live workshop is a 16-hour PMP** cram course designed to give a quick and focused review of PMP exam material

The workshop is designed and delivered by Dr. Sami Fahmy of Performance Excellence Institute (PEII) based on his more than two decades of teaching PMP and also the reading the feedback from the exam takers on the internet.

## **SUMMARY OF COURSE OUTLINE**

The course summarizes everything that you must know to pass PMP exam. It also prepares you to bridge the gap to exam writing

### **1. Day I: Traditional delivery**

- a. Review of PMI developed material slides covering domain I: People

## **YOUR PRESENTER:**

Dr. Sami Fahmy is the founder and president of the Performance Excellence Institute, a Project Management consulting firm dedicated to teaching and supporting the latest and most advanced approaches to Project and Construction Management.

Dr. Fahmy is a Civil Engineer by education and a Project Manager through education and training. He has 40+ years of PM practical experience covering a wide range of Project Management and technical areas, including 30 years with Public Works and Government Services Canada (PWGSC), where he led the training of 150 Project Managers.

Dr. Fahmy's enthusiasm for teaching makes him a highly informative, interactive, and entertaining educator. He is one of Alberta's most in-demand construction educators. He has taught workshops (including workshops at the graduate level) for NAIT, the University of Calgary, and the University of Alberta.

He was a Global Registered Educational Provider (REP) with the Project Management Institute for two decades. He is now an Authorized Training Provider (ATP)

He is a former president of PMI Norther Alberta Charter. He also served on the board for a few years.
